

Carrie Sowers

Carrie Sowers is our Vice President of the Board. She has been a board member for 8 years! She's a proud graduate of AHS and has basically lived in Atchison her whole life. Carrie is the Director of ACCA. She serves on multiple committees including the Health and Wellness, Teacher Negotiation and Salary Committee. One accomplishment she would like to see as a board member is to continue the wonderful relationships this board has with its patrons, staff and community in Atchison. Carrie will continue to bring her very best to the beautiful community that she loves so dearly! Thank you Carrie Sowers for all your hard work you do to support the staff, students, parents and community of Atchison Public Schools!
